**INDUSTRY INSTITUTE
INTERACTION CELL**

ACADEMIC YEAR 2022-2023

ABOUT INDUSTRY INSTITUTE INTERACTION CELL:

Sankara College of Science and Commerce established Industry Institute Interaction Forum in the year 2017 in order to create industry exposure to the students and to provide ample opportunities via industry visits, internship and projects. The IIIF acts as a bridge between industrial expectations and educational outcomes. Students overcome their deficiencies and get the essential skills to become industry ready through interaction with industrial specialists.

VISION:

To provide industrial exposure to the faculty members and the students and enabling them to tune their knowledge to cope up with the industrial culture. To assist the departments in organizing workshops, conferences, faculty development programme and symposia with joint participation of the industries/agents. To arrange special training for the students through internships, projects, research etc.

MISSION:

To provide a pathway for collaboration between institutions and industry at all stages of technological development, from conception to commercialization. IIC encourages industry experts to continue to participate in career development programmes organized by the institution which are important in sharpening the skill set of students who are interested in the industry's expectations.

OBJECTIVES AND FUNCTIONS:

- To assist the departments to organize Industry Institute Forum
- To Establish Industry/ Corporate connect to provide real time exposure on technologies
- To explore and identify common avenues of interaction with industry
- To promote various skill development activities by the faculty members and students

- To establish convergence with industrial and research organizations from various fields through MOUs as a form of interaction
- To arrange industrial visits to the students
